

To cover the liability issues of possible injury while participating in Wings & Radicles CIC's beekeeping courses/workshops, participants are required to sign a Waiver of Liability. It is assumed that class participants are in good physical health, and no health problems exist which make class attendance dangerous to participants. No one who has a demonstrated allergy to bee stings may participate in this class. Participants must assume all risk of injury from stings or accidents while attending the class. Wings & Radicles CIC and its owners will not pay for any medical treatment arising from class activities.

In consideration of participating in beekeeping classes, the undersigned acknowledges and agrees that:

- There is a potential risk of injury from activities involved in beekeeping, and while particular rules, equipment and personal care may reduce this risk, the risk of injury does exist; and
- I knowingly and freely assume all such risks, both known and unknown, and assume full responsibility for my participation; and,
- I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest educator immediately.

Waiver: In consideration of being permitted to participate in any way in Wings & Radicles CIC's beekeeping courses/workshops, I do hereby release, waive, discharge, and covenant not to sue Wings & Radicles CIC or anyone connected to Wings & Radicles CIC: owners, property location owners, or other participants, for illnesses (including death), and property loss arising from participation in Wings & Radicles CIC's beekeeping courses/workshops.

Assumption of Risks: Participation in the Wings & Radicles CIC's beekeeping courses/workshops carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary from one activity to another, but the risks range from 1) minor injuries such as, but not limited to: scratches, bruises, and sprains to 2) major injuries such as, but not limited to: joint or back injuries or other injuries associated with the handling of and proximity to bees, to 3) bee stings

I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in participating in Wings & Radicles CIC's beekeeping courses/workshops. I hereby assert that my participation is voluntary and that I knowingly assume all such risks. I have read this waiver of liability, and assumption of risk, fully understand its terms, and understand that I am giving up substantial rights, including my right to sue. I acknowledge that I am signing the agreement freely and voluntarily, and intend by my signature to be a complete and unconditional release of all liability to the greatest extent allowed by law. I also certify that I do not have a demonstrated allergy to bee stings.
